

## PRODUCT SAFETY TECHNICAL DATA SHEET

### Section 1: Product Details

**Product name:** Wallpaper 3 in 1

**Relevant identified uses of the substance or mixture and uses advised against**

**Identified use:** Magnetically Receptive Wallcovering (3 in1 Magnetic Dry Erase Projection) for application on smooth surfaces such as internal walls.

**Details of the supplier of the safety data sheet**

**Manufacturer:** Smarter Surfaces, 13 Garville Mews, Rathgar, Dublin 6, Ireland

**Telephone (Ire):** +353 1 412 6200

**E-mail:** support@smartersurfaces.com

**Emergency telephone number**

**In case of emergency, call:** +353 1 412 6200

### Section 2: Hazard Identification

**Classification according to Regulation (EC) No. 1272/2008 (CLP)**

Not classified as hazardous in solid form

**2.2 Label elements according to Regulation (EC) No. 1272/2008 (CLP)**

**Hazard pictogram(s):** None

**Signal Word:** None

**According to Regulation (EC) No. 1907/2006 (REACH)**

**Hazard Statement(s):** None

**Precautionary Statement(s):** None Supplemental

**Hazard information (EU):** None

### Section 3: Composition

PET film bonded to a magnetite filled plastisol base

**Packaging**

Recycled Paper Box - 127cm X 17cm X 17cm (rectangular box)

**Product Dimensions**

**Width:** 122cm

**Weight:** 1350 GSM

**Finish:** White Gloss / White Low Sheen

### Section 4: First Aid Measures

**General:** No known cases of human poisoning:

**Inhalation:** Not considered a potential route of exposure

## PRODUCT SAFETY TECHNICAL DATA SHEET

**Skin Contact:** If molten material gets on skin, cool affected area with cold water. Obtain medical treatment.

**Eye Contact:** Not considered a potential route of exposure, Seek medical advice if problems arise

**Ingestion:** Not considered a potential route of exposure, Seek medical advice if problems arise

### Section 5: Fire Fighting Measures

#### Fire Rating

Reaction to Fire Classification:

Euroclass B – s1, d0

ASTM E84 Class B

#### Suitable Extinguishing Media

Foam, Carbon Dioxide (CO<sub>2</sub>), Dry Chemical, Water

#### Specific Hazards Arising from the substance

Burning releases hazardous gases such as carbon monoxide, carbon dioxide and small amounts of aldehydes and alcohols.

#### Advice for Fire Fighters

Wear self contained breathing apparatus

### Section 6: Accidental Release Measures

#### Personal precautions protective equipment and emergency procedures

For emergency responders not applicable for the product in its solid form

#### Environmental precautions:

Waste material should be recovered or disposed of in a safe manner; according to local regulations:

### Section 7: Handling and Storage

#### Precautions for handling:

The material has sharp edges which can cause cuts to skin, wear protective gloves.

#### General Occupational Hygiene:

Workers should wash hands and face before eating or drinking. Remove protective wear before eating or drinking

#### Storage

- Store in a cool dry place away from sources of ignition.
- Storage class: 11 Flammable Solids
- Stability Conditions: Stable when stored under normal storage conditions.
- Shipping- Do not stack more than eight levels for pallet transport

## PRODUCT SAFETY TECHNICAL DATA SHEET

### Section 8: Exposure Controls / Personal Protection

#### Engineering Measures

- Take precautionary measures against static discharges.
- Provide ventilation to keep dust below occupational exposure limits.
- Eye protection should be used where a project specific risk assessment indicates it is necessary
- Hand protection should be used at all times
- General Protection according to local regulations Respiratory:
- No special equipment normally required

### Section 9: Physical and Chemical Properties

**Form:** Solid Film

**Colour:** White / White Low Sheen

**Odour:** None

**Flash Point:** 400oC

**Boiling Point:** N/A

**Melting Point:** 100oC

### Section 10: Stability & Reactivity

**Chemical Stability:** Chemically stable under normal conditions

**Conditions to Avoid:** Naked Flame or sources of ignition

**Materials to Avoid:** Keep away from strong acids and oxidising agents

**Hazardous thermal decomposition products:** Decomposition products may include the following: Carbon Monoxide (CO), Isocyanates, Carbon Dioxide (CO<sub>2</sub>) and Nitrogenous gases may evolve during combustion.

### Section 11: Toxicological Information

**Further Information:** This material is not classified as dangerous in its solid form no detrimental effects are known there us no data available on the material.

No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC. No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP. No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

### Section 12: Ecological Information

**Further Information:** Not known to be harmful to the environment

## PRODUCT SAFETY TECHNICAL DATA SHEET

### Section 13: Disposal Considerations

**Waste Treatment Methods:** Material and packaging such as cardboard should be recycled. All other waste materials should be disposed of in accordance with local regulations.

### Section 14: Transport Information

This product is classified as non-hazardous and therefore does not require any special handling.

**Land Transport ADR / RID / GGVS** - Not Dangerous Goods Inland

**Marine Transport ADNR / GGVB** - Not Dangerous Goods Marine

**Transport IMDG/UN** - Not Dangerous Goods

**Air Transport ICAO / IATA / DGR** - Not Dangerous Goods

**US DOT & CANADA TDG SURFACE** - Not regulated for transport

**Transport by sea IMDG-Code Valuation** - Not regulated for transport

### Section 15: Regulatory Information

#### 15.0 Labelling According to EU Directive:

This product is not subject to classification according to EU directives.

#### 15.1 U.S. Federal regulations

**TSCA inventory status and TSCA information:** This material or its components are listed on or are in compliance with the requirements of the TSCA Chemical Substance Inventory.

**TSCA 12(b) Export Notification:** This material does not contain reportable amounts of any TSCA 12(b) listed chemicals.

**CERCLA Regulated Chemicals:** This material does not contain any CERCLA regulated chemicals.

**SARA 302 EHS Chemicals:** This material does not contain any SARA extremely hazardous substances.

**SARA 313 Chemicals:** This material does not contain any SARA 313 chemicals above de minimus levels.

CAS No. 75-01-4 Chemical - Vinyl chloride %  $\leq 0.0001\%$  Upper limit wt.

#### 15.2 U.S. State regulations

**Massachusetts Substance List:** This material contains no listed components.

**New Jersey Right-to-Know Hazardous Substance List:** This material contains no listed components.

**Pennsylvania Right-to-Know Hazardous Substance List:** This material contains no listed components.

### Section 16: Other information

The information provided is correct to the best of our knowledge at the date of publication
